

Government Notice No. 125 of 2020

**THE RADIATION SAFETY AND NUCLEAR
SECURITY ACT 2018**

**Regulations made by the Minister under section 43 of the
Radiation Safety and Nuclear Security Act 2018**

1. These regulations may be cited as the Radiation Safety and Nuclear Security (Safe Transport of Radioactive Material) Regulations 2020.
2. In these regulations –
“transport” means the deliberate physical movement of radioactive material, other than that forming part of the means of propulsion, from one place to another.
3. Every person who is authorised to transport radioactive material shall –
 - (a) ensure that the radioactive material is transported in accordance with the Regulations for the Safe Transport of Radioactive Material, made by the International Atomic Energy Agency and set out in the Schedule;
 - (b) provide such information as the Authority may require to prove that he has complied with these regulations.
4. The Radiation Protection (Safe Transport of Radioactive Material) Regulations 2016 are revoked.
5. These regulations shall come into operation on 15 June 2020.

Made by the Minister on 8 June 2020.

SCHEDULE
[Regulation 3]

Regulations for the Safe Transport of Radioactive Material No. SSR-6
(Rev. 1) (2018 Edition) made by the International Atomic Energy
Agency
