

REPUBLIC OF MAURITIUS

RADIATION SAFETY AND NUCLEAR SECURITY AUTHORITY

Communiqué

The Radiation Safety and Nuclear Security Authority has developed a new set of regulations cited as the ***Radiation Safety and Nuclear Security (Radiation Protection in Medical Exposure) Regulations***, to complement the provisions of the Radiation Safety and Nuclear Security Act 2018 for medical exposure.

Click here to download a copy of the draft regulations.

The draft regulations are opened from all interested parties, including the public.

The RSN SA will appreciate to have the views and comments on the draft regulations by **03 May 2024**.
