

RADIATION SAFETY AND NUCLEAR SECURITY AUTHORITY

Registration of Service Providers

1. The Radiation Safety and Nuclear Security (Registration of Service Providers) Regulations 2020 (*Government Notice No. 126 of 2020*) made under section 43 the Radiation Safety and Nuclear Security Act 2018 have been promulgated with effect from 15 June 2020.
2. Applications are invited from any person who wishes to be registered as a service provider for the provision of his services to any of our licensee in the following areas of service pertaining to radiation safety and nuclear security:-
 - Advice and technical support on radiation safety and nuclear security as a qualified expert;
 - Supply, installation and commissioning of radiation emitting equipment;
 - Maintenance, testing and calibration of radiation emitting equipment;
 - Maintenance, testing and calibration of radiation detecting equipment;
 - Individual and workplace monitoring;
 - Food and environmental monitoring;
 - Management of radioactive waste and disused sealed sources;
 - Transportation of radioactive material;
 - Security services for the physical protection of nuclear and other radioactive material; and
 - Training in radiation safety and nuclear security.
3. The Application Form for Registration of a Service Provider is downloadable from the website of the Radiation Safety and Nuclear Security Authority (<http://rsnsa.govmu.org>) and is also available at the office of the Authority, 37 Saint Georges Street, Port-Louis.
4. The duly completed application form for the registration of a service provider should be submitted to the **Director, Radiation Safety and Nuclear Security Authority, 37, Saint Georges Street, Port-Louis**, together with the following information/document -
 - (i) The Business Registration Card (BRC) of the applicant issued by the Government of Mauritius (if the applicant is a registered company in Mauritius), or the National Identity Card of the applicant issued by the Government of Mauritius (if the applicant is a citizen of Mauritius), or the first two pages of the passport (if the applicant is a non-citizen of Mauritius).
 - (ii) Relevant documentary evidence(s) which clearly demonstrate that the applicant has adequate competence and experience to provide the service for which he would like to be registered as an approved service provider.
